All Solutions in One Umbrella

Providing End to End Solutions For All Infra, Industrial, Municipal applications residential, commercial, townships projects & Bungalow plot schemes

Made in India

Prompt Deliver

Solutions, Not Just Products

ISO Certifications

Competitive Pricing

Post Sales Service Support

OUR VISION

- **30+ Years Service Life** – Built for durability in real-world road conditions
- **Zero Scrap Value** – Eliminates theft risk and reduces accidents
- **Anti-Slip Design** – Enhanced safety with low heat conduction surface
- **Eco-Friendly Solution** – Manufactured with a low carbon footprint

OUR MISSION

- To create sustainable solutions that improve lives and protect the environment.
- To deliver innovative, eco-friendly projects that empower communities.
- To build a better future through integrated and sustainable development.
- To enhance quality of life with smart, responsible engineering solutions.
- To drive environmental sustainability and socio-economic growth together.
- To transform communities through water, environment, and waste management solutions.
- To lead with innovation for a cleaner, greener, and healthier future.

OUR VALUES

- **Sustainability** – We prioritize environmentally responsible solutions in every project.
- **Innovation** – We embrace new ideas and technologies to deliver better outcomes.
- **Integrity** – We work with honesty, transparency, and strong ethical standards.
- **Quality** – We are committed to excellence in every detail of our work.
- **Community Impact** – We focus on improving lives and supporting local development.
- **Collaboration** – We believe in teamwork and multidisciplinary coordination.
- **Responsibility** – We take accountability for our actions and their impact on society.
- **Excellence** – We continuously strive to exceed expectations.

About Us:

We are please to introduce ourselves as one of the well known and foremost manufacturers and fabricators in India of FRP (Fibre-Reinforced Plastic or Polymer) Process Equipments and Industrial Plastics Products & Systems. We are the fastest Growing company in India which is a manufacturing & Supply of FRP Process Equipments & Industrial Products.

We are manufacturer, Fabricators and erectors of Non-Metallic products Mainly used in the industry of chemicals, Pharmaceuticals, Petrochemicals, Agro-chemicals, Fertilizers, Power Plants, Steel Plants, Effluent Treatment Plant, Sewage Treatment Plant, Pickling Plants, Pulp & Paper Plants, Textile, Zinc & Copper Smelter Plant, Civil & Computer Engineering, Road & Traffic Division, Automobiles & Train, Air Pollution control equipments, Lab Equipments, Exhaust Systems, Chemical Process Plants, Oil & Gas, Cement Plant, Process Pipe Lines, and aerospace divisions. We have advanced & latest technology knowledge how to design, Develop, manufacture, fabrication, erection & Testing of our equipments & products.

We have a well equipment infrastructure to carry out any type of job and tailor made for our customers requirement as per International standards. Our management & Staff are well qualified and well dynamic oriented leadership to venture and execute. We are an ISO 9001 Certified Company.

We are specialist in manufacturing, supply, Fabrication & Erection & Testing of Storage Tanks, Vessels, Reactors, Heat Exchangers, Dryers, Evaporators, Mixers, Material Handling

equipments, Heat Transfer equipments, Coils, Absorbers, Towers, Scrubbers, Blowers, Ducting, Chimney, stacks, Pipes & Fittings, Cooling Towers, Gratings, Cable Trays, FRP Doors, Fire Hose Boxes, Porta Cabins, Lining & Coating, etc... and many more. Our Products are made of PP/-FRP/PVC/CPVC/PPH/PVDF/ HDPE materials.

We at Dwarkesh International. we understand the value of down time loss of revenue. So every single component of our products must meet our stringent quality checks before reaching to our customers. Our advance & Innovative engineering team and top most production team and fully equipped facilities create products that maximize our customers yield and profitability. Besides, we undertake to complete turnkey projects for Acid Proof Brick Lining job works. We also design & manufacture customise equipments & products as per our clients requirements. Our Non-metallic Products are mainly pertaining to corrosion although UV Resistance. It is widely used for the industries of GeNxt which has reinforcement with fiber.

OUR GOAL:

We commit to our customers/clients or consultants by provide good quality of materials at schedule delivery time, reduce cost effective products, Sales & Services, and Competitive Price at all the times. We believe in customers satisfaction is our satisfaction.

**HAND MOLDING
PRODUCT VARIETY**

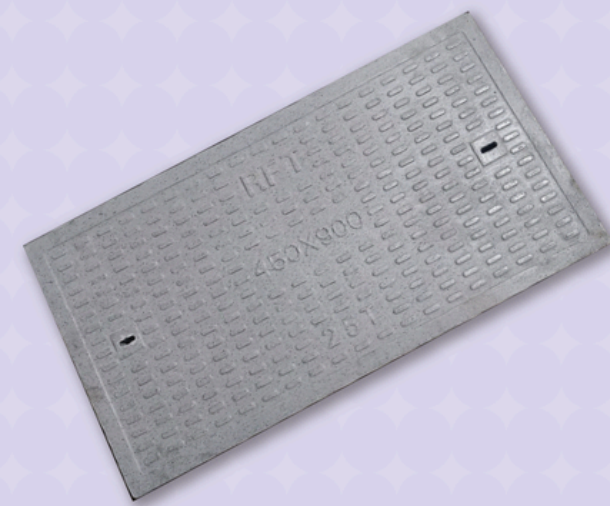

HAND MOLDING PRODUCT RANGE

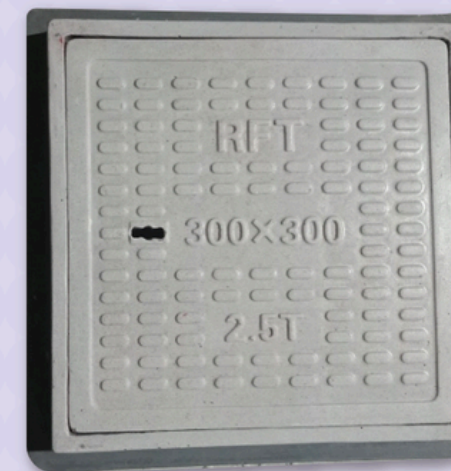

**FRP Fire Hose
Real Boxes**
(Sizes Available
As Per Requirement)

**FRP Tool & FRP
Utility Boxes**
(Camera & Drone Boxes)

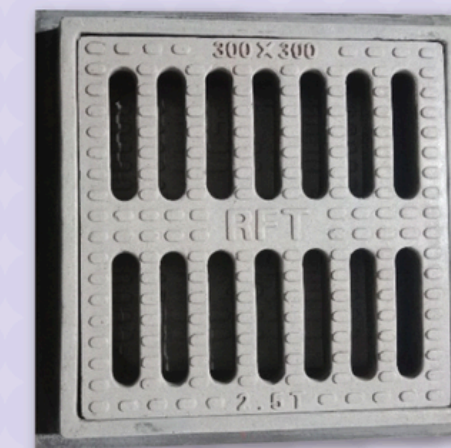

**FRP Chamber
Cover With Frame**
Sizes: 450 X 900 mm
Load Capacity:
2.5 Ton To 60 Ton
Load Capacity

**FRP Chamber
Cover With Frame**
Sizes: 300 X 300 mm
Load Capacity:
2.5 Ton To 60 Ton Load
Capacity

**FRP Chamber
Cover With Frame**
Sizes: 600 X 600 mm
Load Capacity:
2.5 Ton To 60 Ton
Load Capacity

**FRP Gully Grating
With Frame**
Sizes: 300X300mm
Load Capacity: 2.5 Ton
To 40 Ton

HAND MOLDING PRODUCT RANGE

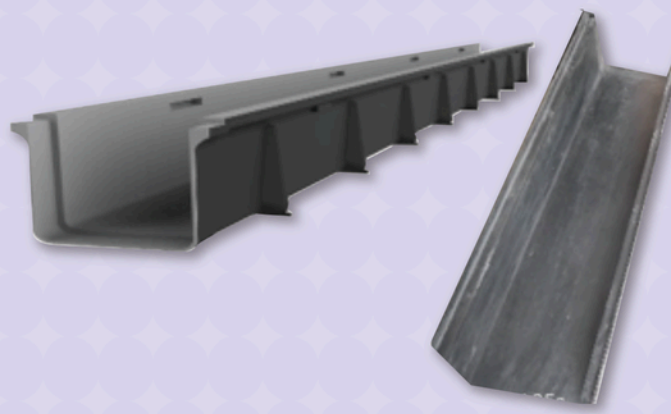

FRP Gully Grating

Sizes: 300 X 700mm
Load Capacity: 2.5 Ton
To 40 Ton Load Capacity

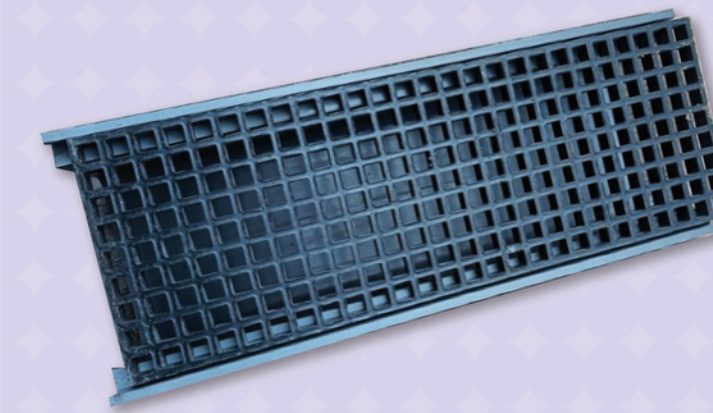

FRP Gully Grating

Sizes: 500 X 600 mm
Load Capacity:
2.5 Ton To 40 Ton
Load Capacity

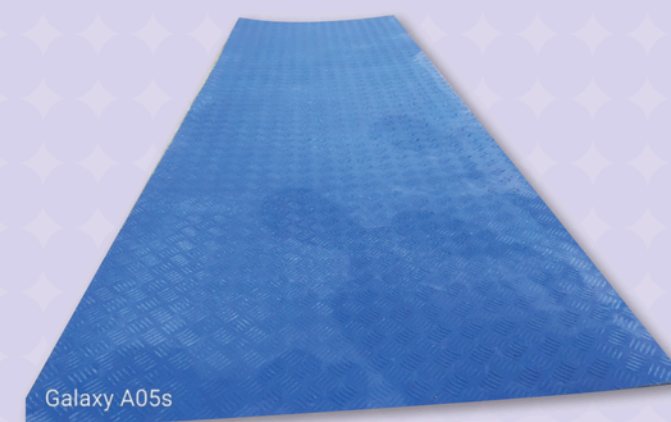

FRP Drain Chanel

100mm To 450mm Width

FRP Drain Channel With Grating

Load Capacity 1.5 Ton
To 40 Ton Load Capacity

FRP Chequer Sheet

Size: 1220 mm X
3660 mm Thickness
Availbale Minimum
3 mm, 4 mm, 5mm,
6 mm, Upto Required
Sizes

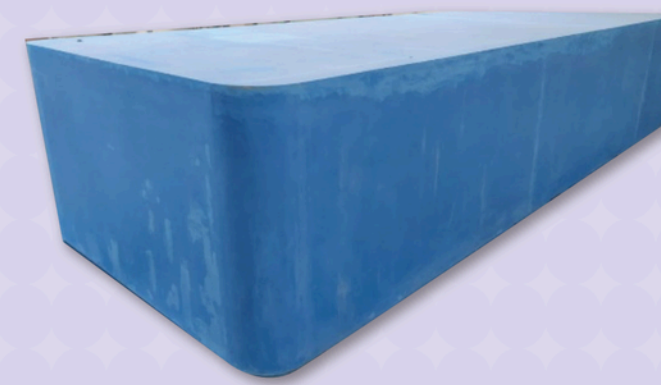

FRP Chamber Cover With Frame For Petrol pump

Size: 900 Dia
Load Capacity: 2.5
Ton Upto 60 Ton

HAND MOLDING PRODUCT RANGE

FRP Military Boxs
Sizes As Required

**FRP Flotting
Jetty/decks**
